The Company successfully challenged the same before the Hon'ble Delhi High Court, which by its orders dated 7th July 2015 and 19th October 2015 directed the Government of India (GOI) to restore the gas supply. Review petition filed by the GOI, challenging the said order, has been rejected by the Court by an order dated 2nd February 2016. Subsequently, the GOI filed affidavit before Delhi High Court stating that Inter Ministerial Committee (IMC) has decided to recommend supply of pooled gas to the Company, subject to approval of competent authority. It has been in the full knowledge of the Department of Fertilisers, Government of India that the Company; as per the Industrial License, since its inception was never engaged in the manufacture of Urea. The Company has strongly challenged the claim currently being raised by GAIL as untenable, unsustainable, contractually unfounded, invalid and barred by limitation of time. Arbitration proceedings have since commenced. However, no provisioning is considered necessary.
